

OASIS D- What's New?

Workshop

February 26-27, 2019

8:30 am - 4:30 pm Eastern

Location

TBD

February 28, 2019

Optional HCS-O Exam

OASIS D will be implemented January 1, 2019. Changes include items removed, items changed, and new items. Agencies will need to determine how to replace the items removed in the comprehensive assessment. Subtle wording changes in the guidance, the expansion of the one clinician rule, and retention of best practices as key process items are removed will be discussed with options explored. Don't forget your Star rating: we will also review the latest guidance on current OASIS items used to calculate your Quality of Care Star rating.

1. Identify M items removed from OASIS D.
2. Explain changed comprehensive assessment requirements for best practices.
3. Explain new guidance on completing pressure ulcer/injury items.
4. Compare and contrast ADL/IADL items with new GG items.
5. Explain the expansion of the one clinician rule and how it may impact current practice.

Presenter: Teresa Northcutt, BSN, RN, COS-C, HCSD, HCS-H, Quality Specialist

Teresa has provided educational programs on OASIS assessment, ICD-9 and ICD-10 coding, agency communications and processes, documentation, quality outcome improvement, and care transitions for regional and state conferences.
