

# Home Health and Hospice Quality RN

## WHAT WE NEED

*Medical data expert*

## WHO WE ARE LOOKING FOR

The accuracy and integrity of medical records is very important for maintaining high-quality healthcare. The Clinical Charge Audit Analyst collects and communicates data to support a continuum of care for our patients and clinicians. It's a fast-paced, detail-oriented job and one that many people depend on.

Are you efficient and thorough? Do you take pride in your attention to detail? Are you a good problem-solver? We need your skills.

## WHAT YOU WILL DO

- Maintain organized data collection system: review all appropriate cases in a timely manner for CMS public reporting submission.
- Work in collaboration with EPIC personnel to review, define, update, and implement, processes that reflect best practice of patient care along with CMS guidelines and requirements.
- Maintain ongoing knowledge base of data abstraction and submission requirements for CMS public reporting data.
- Assure timely collection of data for quality improvement at the direction of the clinical leadership.
- Provide assistance with the development of indicators for identified quality initiatives.
- Work with Strategic Health Partners to maintain ongoing knowledge base related to requirements for CMS reporting.
- Provide an organized approach to data management, upholds commitment to principles of data management and abstraction.
- Uphold standards of confidentiality in data abstraction.
- Identify and communicate appropriateness of care and quality of care issues in a timely manner to the respective customer.
- Maintain updated knowledge base of outside requirements and QI/CQI theory and practice.

## WHAT IT TAKES TO SUCCEED

- Experience with obtaining and analyzing data.
- Communicate effectively with patients, medical staff, administrative staff, hospital personnel, and outside agencies verbally and written.
- Synthesize large amounts of clinical data.
- Keep current on cardiac, surgical, and medical clinical practice to guide data abstraction and analysis.

## WHAT WE'RE LOOKING FOR

1-3 Years Experience

License(s): Registered Nurse

Certification(s): Must be Oasis Certified within 1-year of hire.

Travel: Never or Rarely

### **EQUAL OPPORTUNITY EMPLOYER**
