

Coronavirus Response from Sprint

Front lines and digital tools

- We are temporarily closing approximately 71% of our store locations across the country.
- We plan to keep open and operate about 1,000 stores, including our service and repair locations. The stores that remain open will operate with reduced hours.

Community response

- Sprint signed FCC Chairman Ajit Pai's Keep Americans Connected Pledge. For the next 60 days, we will support our residential and small business customers by:
 - Not terminating service if they are unable to pay their Sprint bill because of the coronavirus.
 - Waiving late fees incurred because of economic circumstances related to the pandemic.
- Starting on Tuesday, customers with international long-distance calling plans will receive complimentary international calling rates from the U.S. to countries defined by the CDC as Level 3.

We are also increasing the data allotment provided to 1Million Project Foundation students from 10GB to 20GB each month from now through June 30, 2020.
