

Dear Colleagues~

We hope this email finds you well. ASPR TRACIE has been working closely with our partners on various aspects of COVID-19 response and have quite a few resources to share that we think will be of particular interest to your stakeholders. We would appreciate it if you can please amplify our recent ASPR TRACIE Express released today. Below is a sample message you can use in your distribution.

This [ASPR TRACIE Express](#) highlights new COVID-19 resources and upcoming webinars, such as the following:

- [COVID-19 Alternate Care Site Resources](#), a collection that can help stakeholders address capacity and capability gaps and includes resources such as:
 - [Alternate Care Sites \(ACS\) Toolkit, Second Edition](#)
 - [Alternate Care Strategies Video](#)
 - [Healthcare Capacity Building: Alternative Care Sites and Federal Medical Stations](#)
- [Mini Modules to Relieve Stress for Healthcare Workers Responding to COVID-19: Stress Management Exercise](#) (a short video that can help you manage stress before, during, and/or after your shift).
- [Crisis Standards of Care during COVID-19](#) (speakers share their experiences and practical considerations for state health departments and hospital systems related to the ethical application of crisis standards of care).
- [COVID-19 Healthcare Workforce Virtual Toolkit](#) (links to tools and resource collections, from workforce protection to licensure and scope of practices, for decision-makers managing healthcare workforce challenges in response to the COVID-19 emergency).

Visit ASPR TRACIE's [Novel Coronavirus Resources Page](#) for additional resources and [reach out](#) to the ASPR TRACIE team with questions or to share your plans, tools, and templates.

And if you have ideas or suggestions, on how ASPR TRACIE we can serve your needs better in the future please let us know. THANK YOU and please be safe and healthy.

Respectfully/*Shayne*
